

Touching lives, without touching

WE ARE HIRING!

BUSINESS DEVELOPMENT INTERN (M/W)

2019

Zähringerstrasse 22 | 8001 Zurich | Switzerland

Who are we?

Sleepiz AG is a Zurich based Med-Tech startup with the aim of providing revolutionary technology to the medical community. Therefore, we develop our own software and hardware solution, which centers the physician and the patient. Our product measures vital signs in a contactless and medical grade manner at home, completely changing the way sleep disorders are diagnosed. Sleepiz is ranked “the most promising European digital health startup” (startupticker.ch). We are winner of: European Health Catapult (Digital Health), >>venture>> 2019 Health & Nutrition, W.A. de Vigier and others. Further, we are backed by the European commission and the Swiss Innovation Agency.

Participate in the development of our business

This job offers you the perfect opportunity to gain first-hand experience on working like an entrepreneur. We developed a concept for a new business model and now you can support us to get it going. This includes various tasks on the business side which ensure that you have a new challenge every day. You will alternate between desk and fieldwork. Some of the responsibilities you will have are:

- Apply the lean startup concept and built an MVP
- Putting a new business model into practice
- Supporting the development of our marketing strategy
- Supporting the product launch
- Manage social media channels
- Supporting the business team in daily tasks

You should have:

- Bachelor/Master's in Business Management or related fields
- Open attitude and willingness to go out in “the field”
- Hands-on attitude paired with creativity
- Good knowledge in Excel and PowerPoint
- Fluent reading and writing in English and German
- Ability to work in our Zurich office

What we offer:

We are a dynamic, interdisciplinary, highly skilled team that is passionate about innovating. For us it is very important to foster a fun and energetic start-up culture in a supportive environment. We offer flexible working hours together with a high degree of self-responsibility and freedom. Just a five minutes' walk from HB and ETH, you will find with us the perfect environment for learning and contributing to a high-potential project.

Your application

Do you feel like your skillsets match our needs?
Do you have what it takes to join our young and dynamic team?

Do you want to be part of the ground floor of a company
that is going to take the sleep industry by storm?
